

## **Privacy Policy – Boosteria**

At Boosteria, your privacy is important to us. This Privacy Policy explains how we collect, use, and protect your personal information when you use our website and services. By accessing or using Boosteria.org, you agree to the practices described in this policy. Your continued use implies consent, but you can withdraw it anytime via contact.

These tweaks keep the policy concise while enhancing transparency—ideal for verification processes. If the 2-year retention doesn't match your actual practices, adjust the timeframe accordingly (e.g., based on Georgian tax laws, which often require 3 years for records).
